2012 Adult Education Schedule of Classes

The Adult Learning Center offers a full slate of classes. All classes and materials are provided at no cost to the student and are appropriate for both GED students as well as those students seeking "brush up" skills before entering college. All classes start at the beginning of the month and change on a monthly basis; due to this arrangement, students are scheduled to start classes at the beginning of each month. If you start attending the Adult Learning Center after the beginning of the month, the staff will assist you in your studies until the next month's classes begin. All classes meet on Tuesdays, Wednesdays, and Thursdays. For more information, contact Pam at the Sullivan Technology Center at 270-831-9648.

Free review classes for students brushing up for COMPASS, GED or employment testing. (non-credit)

Students must attend an AE orientation and complete the TABE test before signing up for these classes.
