

Load-in

Loading Dock

Located on the east side of the building at the southeast corner

Loading Dock:

Height: 4' - 4"

Width: 27' - 0"

Depth: 14' - 0"

The loading dock is serviced by a 105' long x 26' wide concrete and compacted gravel drive that can accommodate two trucks. Trucks may remain in the load-in area

Load-in door

The loading dock services two entrances:

10' X 10' Overhead door

6' X 10' Double door

Both doors provide direct access to the stage and a large storage area.

Parking

Two vehicles may remain parked in gravel portion of the loading area if drivers are nearby (HFAC) or keys remain in the vehicles. A parking lot 75 yards from the theatre is available for truck parking.

Note: Private vehicles must be moved after unloading.

Unauthorized vehicles will be towed at the owner's expense.
