Student Learning Outcomes for Advising Syllabus

Student will be able to:

1. develop an educational plan for successfully achieving their goals; select courses each semester to progress toward fulfilling that educational plan (GBAA)
2. demonstrate the characteristics of a prepared advisee
3. demonstrate the use of campus resources and services to assist them in achieving their academic, personal, and career goals
4. graduate in a timely manner based on the individual educational plan
5. follow through when referred to appropriate campus resources
6. develop a transfer plan if interested in a four-year degree

Effective advising requires a partnership between the advisor and the student with shared responsibilities.

Student Responsibilities:

Academic Advisor Responsibilities:

Become knowledgeable about your college program as well as college policies and procedures	Communicate the college's curriculum, requirements, policies, and procedures
Clarify personal values and goals	Encourage and guide students to define and develop realistic educational goals
Participate proactively in the decision-making process by arriving prepared to advising appointments	Assist students with advising consistent with their abilities and interests
Prepare a list of questions/concerns before each advising visit	Listen carefully to questions and concerns
Follow through on suggested actions, resources, or referrals	Monitor advisee progress
Accept responsibility for academic decisions and performance	Assist with clarifying any questions or confusion advisee may have about academic decisions

Pre-Advising Assignment: Students should complete the following before seeing their academic advisor to schedule classes for each semester at HCC.*

- Understand all pre-admission requirements for selective admissions programs at HCC
